

# Talbot County Hunting and Fishing Guide

Easton | Oxford | St. Michaels | Tilghman Island | Trappe

## The Reel Talbot County

The bounty of the Bay is legendary. When it comes to fishing, rockfish is the star of these waters. But you can also haul Spanish mackerel and bluefish, along with drum, sea trout, perch, skate, croaker, and flounder. Talbot County's captains command intimate knowledge of the waterways ensuring you're in the best spot at the very best time. Our fishing charters provide the bait, tackle, and coolers to collect your haul so all you need to do is relax and focus on getting ready to exclaim, "fish on!"
